Movers & Shakers: Jamie Lee of Jamison Realty Inc.

Tuesday August 4th

5:30-7:30pm

California Market Center

110 East 9th Street

Los Angeles, CA 90079

Join ULI Los Angeles to meet Jaimee Lee, the CEO of Jamison Realty, Inc. For years, Jamison has been one of the largest owners and managers of commercial real estate in Los Angeles. The size of its portfolio is staggering with more than 100 properties totaling 18 million square feet. Despite its size, little is known about Jamison, which has traditionally kept a very low profile.

A key member of the Jamison leadership team, Jaime will share the company's new corporate vision, which includes the revitalization of its office portfolio as well as a new foray into multifamily development throughout Mid-Wilshire and into Downtown Los Angeles. Because of Jamison's size, the impact of these new investments will be felt across our community.

We'll be meeting at one of the properties Jaime oversees, the California Market Center, which is currently undergoing a multimillion-dollar renovation. We hope you will join ULI-LA on Tuesday evening, August 4, to meet this new leader in the Los Angeles development community. Jaime Lee will be our featured and sole guest. Light appetizers and beverages will be provided, courtesy of Jamison.
